October 2024 SQE2 results

20 February 2025

Results for October 2024 SQE2 have now been published and 1,026 candidates received their results today.

Of these, 840 candidates sat SQE2 for the first time and achieved an 83% pass rate. The overall pass rate, including those who were resitting, was 81%. The pass mark for all three sittings was 61%

SQE2 has a single pass mark for all 16 stations testing legal skills and application of legal knowledge. Each station is an individual 'exercise' that a candidate takes, and there are 12 written and four oral. There may be different pass marks between sittings due to the oral stations being different. There is no pass mark for an individual station or for all the oral stations or written stations.
