Practising certificate renewals (2024/25)

05 August 2024

Practising certificate and registration renewals will take place from 1 to 31 October 2024 (inclusive).

This year, there are no new questions in the renewal application. We have reworded the continuing competence declaration for solicitors and registered European lawyers to make it clearer what we expect from them, and what registered foreign lawyers need to do.

Take a look at what will be asked:
