

FAQs about using mySRA

These FAQs cover all aspects of using mySRA - including the additional authentication step.

Has your saved mySRA page link stopped working?

Due to the introduction of the new authentication step you must remove any previously saved links - favourites or bookmarks - and then create a new one via <https://my.sra.org.uk>. [<https://my.sra.org.uk/>]

Authentication

[Open all \[# \]](#)

Why is it mandatory to verify my identity in addition to entering my username and password when logging in to mySRA?

Multi-factor authentication significantly reduces the chances of a third party accessing your mySRA account. It is an effective tool that helps protect your data and stop identity theft. You will not be able to access your mySRA account if you do not set it up.

How does the multi-factor authentication work?

You will need to use an authenticator app on your mobile device (smartphone or tablet) to generate a time-sensitive six-digit code. You will enter this code to verify your identity after entering your username and password.

If I leave my computer for a short time, will I need to verify my identity again when I log back in?

If you are logged out of mySRA, you will need to verify your identity by entering a six-digit code from your authenticator app when you log in again.

What apps can I use?

We suggest using [Microsoft Authenticator](https://q1tt.sra.org.uk/mysra/updates/verifying-mysra-account/) [<https://q1tt.sra.org.uk/mysra/updates/verifying-mysra-account/>] or [Google Authenticator](https://q1tt.sra.org.uk/mysra/updates/verifying-mysra-account/) [<https://q1tt.sra.org.uk/mysra/updates/verifying-mysra-account/>]. However, you can use another app if you prefer. You must exercise due diligence when downloading and installing third-party apps.

What should I do if the code expires when I am enrolling my device or logging in?

Codes are time-sensitive and usually available for up to 30 seconds. Your app will show you how long you have left to use it. You need to enter the code before it expires and is replaced by a new one.

Can I use a tablet rather than a smartphone to generate a six-digit verification code?

Yes, you can download an authenticator app to a tablet.

What if nothing happens when I scan the QR code using my mobile device?

Please open the authenticator app on your mobile device to scan the QR code. Don't scan the QR code with your camera or a QR reader app.

Can I change my authenticator app?

If you need to change your authenticator app, please [contact us](https://qltt.sra.org.uk/contactus) [<https://qltt.sra.org.uk/contactus>].

What if I lose my mobile device or want to change my authenticator app?

If you lose your mobile device or need to change your app, please [contact us](https://www.sra.org.uk/contactus) [<https://www.sra.org.uk/contactus>].

Will I be able to log in to mySRA without using a mobile device?

This is not recommended. However, you could download a third-party authenticator app for PC or Mac. You must exercise due diligence when downloading third-party apps. To find out more, watch our [explainer video](https://youtu.be/eOckJgOi-BI) [<https://youtu.be/eOckJgOi-BI>].

Can I use an authenticator app outside the UK?

Yes.

Will an authenticator app work on any mobile device?

Your mobile device will need to meet the following requirements to download and install an authenticator app.

Apple/iOS devices:

- Microsoft Authenticator – minimum of an iPhone 8/iOS 15
- Google Authenticator – minimum of an iPhone 6/iOS14

Android

- Microsoft Authenticator – minimum of Android 8
- Google Authenticator – minimum of Android 6

Does my mobile device to be connected to the internet to use an authenticator app?

No, the device with the authenticator app does not need to be connected to the internet or have network signal for it to work.

How will my account show in an authenticator app?

It will usually show as The Solicitors Regulation Authority. Or in some cases, it may be SRA UK Prod.

What happens if I lose access to my authenticator app account?

You will need to contact the authenticator app provider to resolve this.

The contact email address listed in mySRA is correct, why am I not getting emails from the SRA?

There are a number of reasons why, even when we are sending them to a correct address, our emails may not be getting through to you.

For example, they may be getting blocked by your internet service provider or company firewall, or automatically rerouted to spam folders.

Please read our [receiving emails from us guidance](https://qltt.sra.org.uk/home/contact-us/receiving-emails-from-us/) [\[https://qltt.sra.org.uk/home/contact-us/receiving-emails-from-us/\]](https://qltt.sra.org.uk/home/contact-us/receiving-emails-from-us/) for the simple steps you can take to make sure emails we send to you are received.

I have forgotten my password. What should I do?

To reset your password, you should select Forgotten Password on the login page.

- Enter your username and your account email address.
- Click 'email me my verification code'
- The code will be emailed to you.
- Enter the 6- digit code and continue
- Then enter and confirm your new password
- Go back to the login page to login with your new password.

Are there any reduced fees?

Yes, we offer reduced renewal fees for maternity leave.

If you are currently on maternity leave (or equivalent) or were between 1 November 2023 - 31 October 2024, you may be eligible for a reduced fee.

Equivalent maternity leave is shared parental leave (where the maternity leave is split between the parents) or adoption leave.

Paid or unpaid paternity leave and time off work to care for dependents are not equivalent.

There are no other types of reduced fees.

Read more about our [fee policy \[https://qltt.sra.org.uk/mysra/fees/\]](https://qltt.sra.org.uk/mysra/fees/).

I fall into both categories for maternity leave, which option do I choose on the renewal form?

If you fall into both category A and B, please select A.

Anyone starting maternity leave on or after 1 November 2024 will need to claim for the reduced fee in next year's renewal.

Authorised signatory / Organisation contact

[Open all \[#\]](#)

What is an authorised signatory (AUS)?

A person nominated to update their organisation details and sign the declaration in a bulk renewal application.

In a law firm, it must be a solicitor or registered European lawyer (REL) with a current practising certificate/registration and who is a manager (a partner in a partnership; a member in an LLP; a director in a company).

If you work within an in-house team, it can be a solicitor or a REL with a current practising certificate/registration.

The authorised signatory (AUS) can nominate an organisation contact (ORC) to complete the bulk renewal application but only an AUS can sign it.

To find out how to add, change or delete a role, go to [Manage My Organisation Account \[#\]](#).

How do I become an authorised signatory (AUS)?

You can add the role in the My Profile section of your mySRA account.

In a law firm, you must hold a current practising certificate/registration and be a manager (a partner in a partnership, a member in an LLP, a director in a company).

If you work within an in-house team, you must simply hold a current practising certificate/registration.

For further information, go to [Managing my Individual Account](https://qltt.sra.org.uk/mysra/manage-account/individual-account/) [https://qltt.sra.org.uk/mysra/manage-account/individual-account/].

What is an organisation contact (ORC)?

They are the person nominated by an authorised signatory (AUS) to update organisational details and complete the bulk renewal application for an organisation. [Less](#)

ORCs can see and change individuals' personal and professional details if they have opted in.

There are no restrictions on who can be an ORC but the AUS should be satisfied they are suitable for this role.

To be nominated as an ORC, you must have a mySRA account.

Find out how to get a mySRA account.

How do I add a manager post in mySRA?

Go to [Manage my organisation account](https://qltt.sra.org.uk/mysra/manage-account/organisation-account/) [https://qltt.sra.org.uk/mysra/manage-account/organisation-account/] to find out how to add, change or delete a post.

How do I remove individuals who have left my organisation?

If the individuals have ended their posts and roles it will reflect this in the organisation record. If they have not, then:

- Click my organisation
- Click Employees and click End Employment.
- Select the date the individuals have left the organisation.
- Click Save. This will end all posts and roles. This will include manager posts.

Will an authorised signatory or organisation contact be able to view and print off practising certificates?

Yes. Organisation contacts (ORC) and authorised signatories (AUS) can view and print individual practising certificates.

They can access them through their mySRA account. They can view them in My Organisation tab. Then go to Manage my organisation applications and documents.

Opting in / out

[Open all \[#\]](#)

What is opt in / opt out?

You can opt in for bulk renewal and personal information management if your organisation offers the service.

If you opt in to bulk renewal your firm will be able to renew your practising certificate as part of the firm application.

If you opt in to personal information management the organisation will be able to see and change your personal information. This does not include equality data.

If you opt out of bulk renewal you would need to make an individual application to renew your practising certificate.

If you opt out of personal information management you would need to keep your own details up to date in your mySRA account.

How do I opt in?

1. Go into your profile
2. Click work details
3. Select Manage
4. Click I want to opt into the organisation's bulk renewal. This option will only be available if the organisation complete a bulk renewal application.
5. Click Save

Organisation's bulk renewal application

[Open all \[#\]](#)

Where can I find the bulk renewal application?

It can be found under 'Start a new application' and in 'Organisation applications'. It is now called 'Pay your periodic fees and apply for bulk renewal'.

Will the form 'freeze' once started?

Before, when the form was opened, it was 'frozen' and no changes could be made to related mySRA accounts. Now in mySRA, the form can be accessed at any time before you submit it, giving you freedom to look at the questions and the information you need before completing it.

This also means that solicitors and registered European or foreign lawyers in your organisation can opt into your bulk renewal at any time before you submit this. If someone does add themselves, you will get a notification, so you will know if this has happened.

How to submit information on the organisation's indemnity insurance?

You can tell us about your insurance details by completing step 3 of the application. Here you can choose your firm's insurer from the list provided or tell us if your firm is exempt from indemnity insurance.

We do not need any other documentation to support your application. So, you do not need to upload any documents.

What do you ask in the bulk renewal application form?

Find out what will be asked in our mySRA update article about the [bulk renewal form questions](https://q1tt.sra.org.uk/mysra/updates/bulk-renewal/) [https://q1tt.sra.org.uk/mysra/updates/bulk-renewal/].
