

Breakdown of solicitor firms

As well as regulating solicitors we also regulate solicitors' firms. These can range from sole practitioners to huge firms with a global presence and thousands of lawyers.

The chart below shows a breakdown of Recognised Sole Practices, Recognised Bodies and Licensed Bodies (also known as an Alternative Business Structure) as at the end of August 2025. The numbers are based on a count of head offices with current Recognised Sole Practice, Recognised Body or Licensed Body status.

Note that due to the time taken to process firm openings and closures, formed and closure dates can be back dated and therefore figures reported are subject to change.
